

Our acoustic heritage

cerica

"Aurelia Cerica is one of the best loudspeaker our editorial team has been listening for a very long time. Rarely have we heard music reproduced so uncoloured and with such high resolution and detail."

 NOMONO, Sven Bilen

"Very intelligent choice for discerning listeners with medium-sized spaces and high-quality hardware"

 6moons.com, Srajan Ebaen

"Cerica sounds effortless, energetic, charmant, controlled and neutral. It offers soundstage which is deep, wide and accurate at the same time. What more could you expect?"

"Editor's Choice"

 Hifimaailma 5/2009, comparison test

magenta

"Highly competent small speaker. Enormously big soundstage!"

 Hifi & Musik 11/2010

"Aurelia Magenta is a speaker which thrives you into long listening periods. It makes justice for the music for the joy of the listener."

 Tekniikan Maailma 11/2008

"Unusually well-balanced speaker for its size"

"Editor's Choice."

 Mikrobitti 2/2008, comparison test

"Absolutely one of the best in its class."

 Hifimaailma 1/2008

ambera

"It doesn't spring to mind any other floorstander with as good sound quality as Aurelia Ambera offers in our 30 square meter listening room"

 Tekniikan Maailma 18/2008

"Superbly listenable loudspeaker for all music genres"

 Hifimaailma 8/2008

"Masterpiece"

 Optio 16/2008

saphira

"Smooth and neutral reproduction through the whole frequency range"

"Pleasant combination of presence, accuracy and bass extension"

"Well balanced and very entertaining package"

 Hifimaailma 5/2010

graphica

"Aurelia Graphica is universal performer where everything seems to work. Graphica indicates that when loudspeaker is really good, every music genres are working with excellently"

 Tekniikan Maailma 18/2009

"The reproduction of whole frequency range is breathtakingly accurate, effortless and transparent"

"In some respects the best we have ever heard"

 Hifimaailma 8/2008
