

Masterpiece Series

The MartinLogan Masterpiece Series is the pinnacle of excellence in electrostatic loudspeaker design, offering the essential truth revealed by our skill and artistry in audio realism.

Neolith

Neolith is not for the faint of heart. As the embodiment of our philosophy of the *truth in sound*, its performance is unconstrained. Prepare yourself for an astonishing new audio experience; a bigger, bolder, no-holds-barred experience of breathtakingly articulate performance. The bespoke Neolith is the culmination of over 30 years of MartinLogan passion, engineering innovation and dedication to the ultimate truth in sound.
